Title:	TECHNIQUE FOR PROVIDING ACCESS TO DATA		

RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
Post Office Box 1450
Alexandria, Virginia 22313-1450

Sir/Madam:

This Amendment is responsive to the Office Action mailed October 12, 2006 setting a one-month shortened statutory period for response expiring on November 12, 2006. In the Office Action, the examiner issued a restriction to one of the inventions in groups I, II or III for examination purposes.

Applicant respectfully elects Group I, consisting of claims 1-30 without traverse, as indicated in the following claim set.
